DV 02289-22-1986 -BBC - "CAPTAIN WITTENBUIK" was purchased in 2025 and I began breeding from him for the 2026 season. A medium sized, well-formed, & strong male, he should produce excellent offspring for long-distance races. Directly from Rudi & Marco Mattis, who bred him from some of their best stock: BE-03-3003564 M "CAPTAIN HUCK" & DV-08006-05-219 "EYE SPY".

SIRE, 022-89-17-468 "B564xB009", a half-sibling to "MATTIS LADY" and a direct grandson of both world-famous racing pigeons & super-breeders B-01-3031065 M "KLEIN WITTENBUIK" & B-09-3095224 M "GOLIATH", son of the world-famous pairing "NEPTUNUS" x "DAUGHTER CHAMPION", who are all in the world-renowned Gaby Vandenabeele hall of fame.

DAM, DV 087476-11-624 "SCHWESTER 1520" is a direct sister of "GOLDEN LADY", a top-quality super hen! She is also a double great-granddaughter of one of the most prolific racing pigeons & super breeders of all time, BE 88-3206112 M "WITTENBUIK".
