* Belg 4125812-16 – VERA (A male) – 3rd Place Final Race Golden Algarve Portugal 2016. The birds competed in the toughest race conditions – strong head winds, 90 plus degrees, clear skies from 315 miles. In the final race there were 3644 birds from the best racing pigeons from around the world. Perfect conditions for selection. VERA also won 4th prize from Monte Trigo against 4597 pigeons.

* VERA is a super male with a strong perfect body, medium in size, strong tight vents, super muscle, one pin tail and rich dark eyes. A foundation male for sure.

* VERA has the winning blood of Cathrysse, Vereecke, Vandenabeele – all developed into a tough combination of winning genes for the 300 to 400 mile young bird races. Competing in one loft races takes a fast, maturing family that can compete against the best and race to win up to the longest distance in the final race. VERA was this genetic profile!

* RO 0005208-16 – INVINCIBLE BOY (A Hen). 5th Place Final Race Golden Algarve Portugal 2016. Under the toughest race conditions with strong head winds, 90 plus degrees, clear skies from 315 miles. There were 3644 birds of the best racing pigeons from around the world. Perfect conditions for selection.

* INVINCIBLE BOY is a hen! Bred by Florea Sorin off his incredible breeding colony. Father is the Gaston Van de Wouwer Kaasboer blood. Mother is sister to SUPER LADY off LEANDRO and JANOSCHKA, a top breeding couple.

* INVINCIBLE BOY is a strong beautiful hen, super muscle, tight closed vents, one pin tail, rich pearl eyes with a genetic package full of winners. She is a fast maturing hen that can win the 200 mile race and a tough 400 mile young bird race. The type necessary for winning the final race in one loft racing.
