14-Pueblo-14127

Color: Blue Bar

Strain: Gaby Vandenabeele

Sex: Hen

Inbred Blicksem line. Sibling to my best flyers in 2012 which was a new mating at that time. 14127 was flown by my friend Ray Vertovec in the Pueblo Club. I actually gave it to him as a replacement bird for a flyer that lost a bird in our Southern Colorado Classic Race. He was a later hatch.
