NL 9669302-96 - ROCKET.  
 \* 1st National Ace Pigeon All Holland - Old Birds N.P.O. 1999  
 Rocket should have been the only 1st National Ace All Holland to win back to back years if he had been entered in the competition in 1998. He had the most points two years in a row in national competition. The Rocket's family is the old Tournier bloodline. The fancier who raced the Rocket raced only 14 males in short, middle and one day long distance races. Four full brothers and five direct sons of the Rocket were all 1st prize winners.

The Rocket won 1st prizes at short, middle and also long distance races against thousands of birds winning 4 years in a row. He is a true champion racer and a proven breeder of winners.

\* Belg 3047077-10 - DREAMER. Bred by Gaby Vandenebeeke off one of Gaby's key breeding couples. Every year I visit Gaby and have the opportunity to select 4 or 5 youngsters off Gaby's best. DREAMER was my favorite hen selected in 2010. She has a perfect body and the blood off winners at middle to one day long distance races. When mated to a son off MONA LISA they bred the 2 equal 1st place winners in one loft money races. They are fast, consistent and will win for 100 to 425 miles as a youngster and 500 as a yearling.
