

iPigeon Pro Auction Services

Experience a “New Top Tier Pigeon Auction Service.”

iPigeon, in conjunction with Vita King Products, is pleased to announce a unique and professional auction service designed to showcase your bird(s) to a captivated audience of potential buyers. By leveraging expert marketing strategies and a seamless auction process, we ensure your bird achieves its highest value – all without requiring you to lift a finger. Trust us to handle every detail, from promotion to final sale, while you enjoy the rewards of top-tier auction results.

With iPigeon Pro Auction Services you can expect the following:

- Onsite housing at Vita King Products & optimal care during the auction process. Your bird will be supplied with the best products offered by Vita King while in our care.
- Professional Photography of every bird to capture their “Quality & Detail”
- Complete posting of pigeon(s) on iPigeon Auction Site
- We also provide a strategic marketing campaign, including targeted email blasts aimed at all iPigeon and Vita King Products customers, to further enhance visibility and participation. These email campaigns are designed to generate excitement and drive engagement, ensuring that your bird receives maximum exposure among a community of dedicated enthusiasts.
- Advertising on social media platforms linking potential buyers to the iPigeon Auction Site to fully view the posting
- High-quality videos of each bird showcasing their condition and features
- Reliable shipping after payment confirmation & release from iPigeon, with full logistics support for both seller and buyer
