Super Kweeker

DV 06599-15-5 - SIR MARIA ANNA. A super male. In the 2015 South Africa Million Dollar pigeon races - the #1 One loft race in the world with 40 countries and thousands of the best bred youngsters off everyone's top breeders - SIR MARIA ANNA won 37<sup>th</sup> Place in the final race along with 1<sup>st</sup> Knock Out and 2<sup>nd</sup> Grand Average Winner titles.

SIR MARIA ANNA is something special. He has a very strong body, one of my nicest handling pigeons on my property. Very excited to have him in my breeding loft and I'm sure that there will be many top breeders and race winners bred down from him. His breeding is also special with the top blood from Koopman, Prange, Nouwen Paesen - all blended together to breed other top 50 race winners in the Million Dollar race, Thailand races and Romania races. Winners breed winners.

\* DV 8857-11-177 - SORAIA. 1<sup>st</sup> Place Knock Out Winner South Africa Million Dollar Races 2011. She also won:  
 \* 19<sup>th</sup> Place Hot Spot Car Race #1 against 4,462 birds  
 \* 34<sup>th</sup> Place Hot Spot Car Race #4 against 4,037 birds  
 \* 16<sup>th</sup> Place Hot Spot Car Race #5 against 3,856 birds  
 \* 36<sup>th</sup> Place - Final Race 578 km

The South Africa Million Dollar Races are flown in the direction with unfavorable headwinds, extreme high temperatures near 100 degrees, coupled with high humidity. It is not a flight for the average pigeon. With these race conditions only the best bred pigeons - smart pigeons - with the ability to race to win for more than 10 hours will be successful.

\* SORAIA, one of the Big 5 South African Million Dollar racers now breeding here at Ganus Family Loft.
