The family of winning genetics have won several top

against 1,548 pigeons, when only 3 pigeons were
capable of arriving home the day of release. The same
family won 8th Place Pattaya International final race

18th Place in the Hoosier International Final Race against
1,202 pigeons. The list goes on and on when you have
winning genetics flowing through their veins.

CLOUD 9 is one of those got to have winners. She is
perfect in every way along with the breeding to produce
more winners like herself. I am 110% sure that there will
be much talk about CLOUD 9 for many more years to
come. She will breed TOP FOUNDATION BREEDERS!
