Very nice pigeon and already proven breeder. Bred NRPL 3104 - Big \$\$ winner in TX Shootout. NRPL 3152/3153 - both top Club Racers! This bird is part of NRPL's future. Full brother Honey Badger who was 76th in 2013 MDP and 40th Grand Averages. Sire Super 504 is my very best breeding cock!!

REMARKS

JOE NEMELKA SENT ME 4-5 YBS EACH YEAR 2013, 2015, & 2016 TO TEST OUT and fly in LOCAL CLUB RACES. THESE SMALL GROUPS THAT HE SENT REAT EVERYTHING THAT I HAD. Placing 1, 2, 6, 11, 28 in Champion Bird Results. JOE WAS gracious enough to send me Pedigrees on the birds AFTER I had raced them. I immediately stock a few and kept flying a couple of others in OBS until they were eventually stocked as well. THESE BIRDS ARE FAST!!! and have been phenomenal for me as BREEDERS.
