ROCKET MAN - NL 3851618-08. The ROCKET blood seems to always rise to the top on race day. On the 4th of July 2009 ROCKET MAN raced home in flying colors winning 2nd place from one of the most prestigious races of all Holland - National Ruffec. It was a tough day with head winds and extremely hot weather from 430 miles against 6494 birds.

ROCKET (NL 9669302-96) is the grandfather of this amazing yearling that was beat by a couple of seconds. Two days after this race I handled him and with his clever look, soft feather and supple muscle - everything I like to see in a champion. I decided to buy him.

ROCKET MAN flew the race of a lifetime as a yearling against the best long distance birds of all Holland. This ROCKET blood wins at all distances across the globe!

ROCKET MAN'S results:

* 2nd National Ruffec	430 miles	6,494 birds
* 2nd Peronne	180 miles	1,465 birds
* 18th Sens	250 miles	1,926 birds
* 44th Sens	250 miles	1,020 birds

DV 01696-18-6 - THOMAS 6. The golden future in racing pigeons. My prediction is THOMAS 6 will be the next super breeder here in America and around the world. THOMAS 6 credentials are superior to most winners in big one loft races. Here is the reason that I mentioned this - The Golden Algarve Race in Portugal is one of the top 5 one loft races in the world. When a pigeon wins this race then you know you have something special. THOMAS 6 not only won 1st in this race, he literally destroyed the race winning by 24 minutes against 2,132 birds from 315 miles.

DV 0849-14-141 - SANJAY 1. Winner of 1st Place South Africa Million Dollar Final Race 2014/2015 - 2,453 birds from 40 countries. Bred by Karl Heinz-Koch of Germany. SANJAY 1 is a strong, beautiful hen with the winning genes running through her veins.
