2022 ARPU-1248-22 HEN
NAME: Henry Strymerski GIRL
YEAR: 2022
SEX: hen
COLOR: Dark Bronze White FLIGHT
Dark Bronze white flight hen bred by
the LATE Henry Strymerski. She is a
small to medium hen, well-muscled,
with a vibrant burnt orange eye. Her
bloodline has been inbred and
linebred for more than four decades,
each generation being selected and
graded by none other than Mike
Ennis, a renowned master grader and
close confidant of Henry's.

For anyone involved in one-loft races,
incorporating such a hen into their
breeding program could indeed
enhance their performance and
introduce hybrid vigor.
