AU 19 AA 7402

SEX: cock
FAMILY: Bekaert
COLOR: Blk.Ck.
"MOON GLOW"; son of the foundation Bekaert pair, "Sin City Bro" and "Lady Cash". "BLUE MOON" and his nest sister "2652" are older brother and sister to "MOON GLOW". In 2017 "BLUE MOON" produced three young that won (11) 1st. or = 1st. and "2652" produced two young that won (7) 1st. or = 1st. Very typical of the Bekaerts or Meulemans families, that produce youngsters that win multiple races each season. I expect big things from "MOON GLOW", he has the quality traits and performance pedigree to be an outstanding producer of race winners. His family history goes back many decades.
