VERY GOOD ONE

ZA NOVP 427-20 - IRON MAN. Winner of 8th Place Victoria Falls Challenge Final Race - 1,555 birds from 375 miles. IRON MAN is a super male! Strong, medium size body - very strong - rich eyes - one pin tail - soft feathers. Just the perfect racing machine. He is bred off proven breeders of winners - a genetic family that offers so much to his breeding future.

When I handle a pigeon that has won a top prize against thousands of pigeons from the best fanciers in the world - it takes me 3 seconds to know if he will be something very special for my breeding loft. I can honestly say that IRON MAN is that special! He has everything that I look for and handle for. Winning results off his offspring will come very quickly as breeders of winners. I believe he is a very special racing pigeon.

DV 01696-18-6 - THOMAS 6. The golden future in racing pigeons. My prediction is THOMAS 6 will be the next super breeder here in America and around the world. THOMAS 6 credentials are superior to most winners in big one loft races. Here is the reason that I mentioned this - The Golden Algarve Race in Portugal is one of the top 5 one loft races in the world. When a pigeon wins this race then you know you have something special. THOMAS 6 not only won 1st in this race, he literally destroyed the race winning by 24 minutes against 2,132 birds from 315 miles.

GFL 438-2013 - MIKE HAS A VERY GOOD ONE. The sensational racing hen that won top prizes at 30 miles, 100 miles, 200 miles up to 413 miles in extreme heat - high humidity - head winds and against the best bred young birds from 40 different countries around the world - the South Africa Million Dollar Race.
