

The Northeast Union

The Dr. Alfred Piaget Memorial Old Bird Competition

In remembrance of the Legend of Pigeon Racing, Dr. Alfred Piaget, and his dedication to the sport of pigeon racing, 400 Mile and 600 Mile races will be organized for 2023 Old Bird Season.

A committee consisting of two people from each Combine will finalize the details of this memorial event, including: stations, shipping points, awards, bird limit, etc. If you are interested in being a member of the committee, please contact Sami at 347-834-7795.

This competition is open to anyone residing in the Northeast: Long Island, New Jersey, Connecticut, Rhode Island and upstate New York.

We hope to schedule a kickoff meeting/conference call in mid-March.

Looking forward to bringing Old Bird Competition back in honor of a truly devoted flyer, Dr. Alfred Piaget.
