## AU 25 DEVI 56

Kittle/Dirk Van DenBulck/Wolverine, BB, Hen

## Sire

**AU 23 RMR 23838**

Fire starter  
Kittle/Dirk Van DenBulck/Wolverine  
Flown as a young bird and then  
stocked. I liked the way he handled  
and the color. It's pretty unusual for me  
to stock a bird without an impressive  
race record but I had a feeling and  
now he is a proven breeder.
