STAR BOY was bred by Jack Van Ouwerkerk of Belgium. STAR BOY is a prolific breeding male, breeding winners and foundation breeders with just about any hen he was mated to. One of those one in a million breeding males.

Belg 6230082-18 – MICHAEL'S DIAMOND. Sensational racing and breeding hen, consisting of some of the top bloodlines in the world. Andre Roodhooft, known for his incredible race results and breeding skills, brought together the old Hofkens bloodline along with the Gaby Vandenabelle WITTENBUK winning family to produce one of my favorite breeding hens – MICHAEL'S DIAMOND.

Why do I like her so much? Genetics, quality, performance – when all three characteristics are super it is hard not to be impressed! MICHAEL's DIAMOND won top prizes as a youngster, as a yearling and as a two year old against thousands of pigeons from 300 plus miles year after year against top fanciers in the world. A few highlights of this new champion hen:

* 7th Best Racer Pipa Ranking 2019, 7 national races
* Winning 7 x National Zone top 100 prizes
* In 3 years of racing also winning these National places: 124Th - 151st - 153rd - 175th – 186Th - 210th

MICHAEL's DIAMOND – proven racer, proven breeder and perfect in the hand. Super special!
