One of my best breeding hens. She has bred many diploma birds that have won in young and old birds with different mates. She is perfect.

AU 17 MOSCHEL 396 COCK
SEX: cock
COLOR: Recessive Red
Flew has a young bird. I didn't have the room for him in the widowhood loft so I kept him on the side and flew him each year with my young bird team in case I would have the room for him an old birds. I did this up until 2019 then I decided to put him in the breeder, His nest mate 395 slate cock won the combine as a young bird at the 150 mile station.
