She is a strong perfect hen with the feather quality that did not fray during all the trainings and races under extreme heat and sun in Africa. Also her genetic background is long distance ace pigeons and race winners - POCCO BARCELONA (Belg 6023299-15) the 1st National Ace Pigeon Barcelona PIPA - 2017-2018-2019 combined results for these 3 years. A very consistent racer in Barcelona racing!
